A.Y. 2019-20 Semester II

PARENTS MEET

Date: 10/02/ 2019

The department has organized a Parent-teacher meeting on Saturday, 10th February, 2019 in the college at 10:00 am. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding academics and results of students. Total 95 parents were present and interacted in the meeting.

This meeting was chaired under, HOD Mechanical Prof. A. A. Tamboli & Prof. Suryavanshi A. R.

At very beginning of meeting, warm welcome was given by Prof. Joshi S. H. to parents. Then HOD Mechanical department Prof. A. A. Tamboli made parents aware of working culture of ZEAL. He made parents aware about the different activities taken by training and placement department as well as introduced about the new soft skill activities started in college for overall development of students. He told to parents to ask students regarding their backlogs and improve their seriousness towards backlogs in the academics. Also informed to parents regarding internship for all the SE, TE, BE students.

Prof. Suryavanshi A. expressed his views about students' development, student parent's relationship, results progress, and importance of parent's teachers meeting. Student should enjoy while studying. He also told about improving communication skills of students.

T&P officer Prof. Viraj Barge discussed about importance of getting selected in any company's criteria. To select in any company or industry student required minimum 60% marks, good aptitude skills, good communication skills and good leadership skills. Prof. Barge briefly explained recruitment procedure. He specifically told that Parents must know about student's activities, parents should daily interact with students and should discuss about placement activities. He briefly discussed about college performed various activities for improving skills of students ex. Soft skill classes, aptitude lectures, mock drives, technical trainings etc. He also congratulated to Mechanical department for getting more than 70 students in campus drives.

Some following points were discussed in meeting.

Student's Attendance is notified to parents.

Unit tests are conducted before conclusion of semester.

As per university norms 75% attendance for theory and 100% for practicals is mandatory.

For slow learners remedial classes have been taken.

Encourage all SE, TE, BE. Students for in plant training and industrial internships for industrial awareness.

Students should take the advantage of certification courses organized in college.
