Research Seminar, on 26th July 2019, was organized by Information Technology department of Zeal College of Engineering and Research, Pune- 411041. Prof. Dr. Shafi Pathan, Professor from SKN Sinmhgad College of Engineering, Pune was present as resource person for the seminar.

He focused on importance of research. He told that Research discovers, elucidates and evaluates new knowledge, ideas, and the technologies essential in driving the future of society and humanity. He suggested that research fosters professional excellence in faculty, important for delivering outstanding student education and training. He also guided faculty about patent, copyright and paper publications. He motivated faculties for Ph D by telling that, "a PhD is a research degree that provides the challenging but rewarding opportunity to contribute to and expand your field of study". All faculties got inspired by his guidance for doing research. He also focused on the point that research should be useful for society.

For research seminar, all IT Department faculties were present and got benefited by the same.
