Alumni & Faculty Interaction Followed by Photo Session

Feedback Summary of Alumni Meet 2016.

1. Should hire good skillfull staff with good teaching & communication skills.
2. Entrance road should be developed soon.
3. Air Conditioned Auditorium must be avilable.
4. Focus on students practical knowledge is required.
5. Prepare students with a aim of: Knowing everything about something instead of knowing something about everything.
6. Motivate students for final year internship program so that they could know the culture of IT Companies.
7. Need more experienced faculty for department.
8. In Elective Application oriented subjects should be introduced so that practical knowledge will improved.
9. Need industrial exposure to faculty by signing MOU so that it will help to research work.
10. Need more experience faculty.
11. Provide corporate infrastructure for the students it will get easy for the students to understand the actual environment in corporate.
12. Big library without technical books.
13. Most of the student offer engineering are willing to for higher education. student lacks guidance during their final year.
14. Industries are in business earn profit not to train fresher,so start imbibing employability skill in B.E students.
