Feedback Summary of Alumni Meet 2019

1. Digital classrooms to be developed for teaching.
2. Wi-Fi should be available to every corner of campus.
3. More focus to be given on practical knowledge instead of theory.
4. Need industry oriented special lab and software for research work.
5. Internships should be made mandatory for practical exposure and industrial experience.
6. Extracurricular activities should also be given importance along with curriculum.
7. Conventional machinery like drilling and milling should be provided for hands on training.
8. Foreign language courses like German, Japanese, and Spanish etc... shall be provided to students.
9. Lab equipments must be updated and calibrated on a regular basis.
10. Continue the soft skill and aptitude classes in future as these classes are useful for other exams such as CAT/MPSC/UPSC/BANKING/GATE, etc.
11. Apart from university practical, cover other practical which are important from industry point of view.
12. Cultural events must also be given preference.
