As per the decision taken during the meeting of Board of Examinations & Evaluation for under-graduate and post-graduate programs in Statistics and Mathematics and FY BCA 2019 pattern- mathematics, there will be 30 multiple choice questions of two marks each. Out of these 25 correctly solved questions will be considered for the evaluation purpose.
- On the recommendation of concern BOS the Board of Examinations & Evaluation has approved the proposal of syllabus for the **final year Science under-graduate programs only**, question papers will on 70 percent syllabus. The contents of these syllabi are uploaded on the University web-portal unipune.ac.in under the General Circulars (Examinations).
- For all other programs question papers shall be set on 100 percent syllabus.
- Method of uploading question bank:**
 - For the examinations which are getting conducted for the first time at the University level for those subjects taught first time as per the revised syllabus each multiple choice question bank shall have 200 questions. These shall be uploaded through the designated web-portal using BCUD Login of the Chairman of the paper setting panel through the web-portal qpg.unipune.ac.in specially developed for this purpose. It is mandatory to prepare question banks in prescribed format which is made available to the paper setters on the qpg.unipune.ac.in
 - There are some question banks of the first year first term programs prepared on the 70 percent syllabus. Concerned paper setting panel is required to add the multiple choice questions on the remaining 30 percent syllabus for incorporating 100 percent syllabus.
 - For the final year Science programs, the question banks are available with 100 percent syllabus. The designated chairman is expected to go through the contents of these question banks and delete the questions which are not out of the 70 percent syllabus finalized by the Board of Studies and approval taken by Board of Examinations and Evaluation. The Designated chairman shall upload on qpg portal.

d] For the other cases where the examinations are already conducted using the question bank provided by the paper setting panel, the question bank will available in excel format . These papers setting panel is required to include additional new 50 questions in the question bank. Precautions shall be taken not to include questions, which already exist in previous question bank.

I seek your co-operation.

As per the decision taken during the meeting of Board of Examinations & Evaluation for under-graduate and post-graduate programs in Statistics and Mathematics and FY BCA 2019 pattern- mathematics, there will be 30 multiple choice questions of two marks each. Out of these 25 correctly solved questions will be considered for the evaluation purpose.
- On the recommendation of concern BOS the Board of Examinations & Evaluation has approved the proposal of syllabus for the **final year Science under-graduate programs only**, question papers will on 70 percent syllabus. The contents of these syllabi are uploaded on the University web-portal unipune.ac.in under the General Circulars (Examinations).
- For all other programs question papers shall be set on 100 percent syllabus.
- Method of uploading question bank:**
 - For the examinations which are getting conducted for the first time at the University level for those subjects taught first time as per the revised syllabus each multiple choice question bank shall have 200 questions. These shall be uploaded through the designated web-portal using BCUD Login of the Chairman of the paper setting panel through the web-portal qpg.unipune.ac.in specially developed for this purpose. It is mandatory to prepare question banks in prescribed format which is made available to the paper setters on the qpg.unipune.ac.in
 - There are some question banks of the first year first term programs prepared on the 70 percent syllabus. Concerned paper setting panel is required to add the multiple choice questions on the remaining 30 percent syllabus for incorporating 100 percent syllabus.
 - For the final year Science programs, the question banks are available with 100 percent syllabus. The designated chairman is expected to go through the contents of these question banks and delete the questions which are not out of the 70 percent syllabus finalized by the Board of Studies and approval taken by Board of Examinations and Evaluation. The Designated chairman shall upload on qpg portal.

d] For the other cases where the examinations are already conducted using the question bank provided by the paper setting panel, the question bank will available in excel format . These papers setting panel is required to include additional new 50 questions in the question bank. Precautions shall be taken not to include questions, which already exist in previous question bank.

I seek your co-operation.
Thanking You
