## SE Induction Program Report

**Department: Computer Engineering**  
**Semester: I**

**Academic Year: 2021-22**  
**Date: 23/08/2021**

**To,**  
**Principal,**  
**ZCOER, Pune**

**Subject: Submission of SE Induction Program report—for Semester I of Year 2021-2022 conducted on 23<sup>rd</sup> August 2021.**

Respected Sir,

I am submitting the report of SE induction program conducted on **23<sup>rd</sup> August 2021**. I request you to note the activities and observations during SE induction program conduction which is mentioned as below:

### AGENDA OF THE PROGRAM

#### DAY 1

1. Welcome and Lamp Lighting (Sarswati Poojan-Virtual)
2. Welcome Speech by HOD Computer **Prof. Aparna Mote** and Principal ZCOER **Dr. A. M. Kate**
3. Session by Chief guest **Mr. Dnyaneshwar Jadhawar**
4. Placement Awareness & Importance of Global Certification & Industrial Training/ Internship, entrepreneurship Development Session by **Prof. Viraj Barge**
5. Academic Presentation and University Examination Scheme presentation by **Prof. P. V. Shinde/ Prof. A. M. Kapre**
6. Virtual visit to Computer Engineering Departmental Laboratories & Centre of excellences

---

**Vision: To impart value added technological education through pursuit of academic excellence, research and entrepreneurial attitude.**

	<b>ZEAL EDUCATION SOCIETY'S ZEAL COLLEGE OF ENGINEERING AND RESEARCH NARHE   PUNE -41   INDIA</b>	
Record No.: <b>ZCOER-ACAD/R/59</b>	Revision: <b>00</b>	Date: <b>01/04/2021</b>

available at Department

7. Alumni Talk – 1. **Mr. Abhishek Raykar**

2. **Ms. Ishani Rede**

8. Present Batch Student Talk- 1. **Mr. Shravan Gupta**

2. **Ms. Namrta Birmane**

9. Vote of thanks by **Prof. R. P. More**

### **DAY 2**

1. Welcome Speech by **Prof. R. P. More**

2. All **SE Subject Information** to students

3. **Engineer's Got Talent**- A Showcase of Performance by SE Students

4. Vote of thanks by **Prof. R. P. More**

Online Meeting platform: **Microsoft Teams**, Scheduled Day: **23<sup>rd</sup> August 2021, Monday**.

The Computer Engineering Department organized online induction program for the Second year computer engineering students on 23<sup>rd</sup> August 2021 on Microsoft Teams platform. The objective of this program was to acclimatize the students to the new environment and get them acquainted with the department functionalities. Total 150 Students were remaining actively present and interacted through the program. This meeting was chaired under Principal ZCOER **Dr. A. M. Kate** and HOD Computer Engineering **Prof. A.V. Mote**.

In the beginning of program, warm welcome was offered by **Prof. Rahul More** to students and parents and then everyone participated in Lamp Lighting with Virtual Sarswati Poojan. He explained the agenda of online conduction of induction program. As due to pandemic situation all the students and parents agreed and welcome the idea of online induction program. The department's initiative of virtual tour was highly appreciated by students and parents as it gave them the feeling of actual presence. After the discussion about the program agenda with student's platform is handed over to HOD Computer Engineering **Prof. A.V. Mote**.

**Prof. A. V. Mote** welcomed to all second year students and briefed about extra efforts taken by department. She elaborated up on institute tag line ie is "Redefining Excellence". She explained about how to achieve this tag line what efforts taken by department. She discussed and informed to all students that department is planning to run different hands on training courses so that there will be maximum opportunity at the time of placement drive conducted in future. Then platform was handed over to Principal ZCOER **Dr. A. M. Kate**.

Principal Sir explained about different department activities which enhance student's technical skill. He encourages students to actively participate in various activities. He further informed students about varies industrial and institutional tie ups through which many platforms are made available to students to enhance their technical skill.

Principal ZCOER **Dr. A. M. Kate** sir discussed and briefed different programs which organized by department in future like Spoken tutorial by IIT Bomby on c Programming,

---

**Vision: To impart value added technological education through pursuit of academic excellence, research and entrepreneurial attitude.**

Python, Java Programming, database in that technical level Examination will conduct. If our students got above 80% marks then they will get chance to visit IIT Bombe Institute campus. This spoken tutorial examination was already conducted for SE, TE and BE students in last year. Also informed regarding online conduction of guest lecture, webinar, seminar, spoken tutorial by expert industrial person as well as by our alumni. Sir explained the importance of industry internship program. He also informed NASSCOM and Intershala activity with students.

Next in the program our invited chief guest **Mr. Dnyaneshwar Jadhawar** (Ph. D. in Media and communication studies) shared their thoughts with students. He focused on importance of soft skill in professional life. Also he guided about how better written and spoken communication can enhance once personality. He included lots of examples and quotes by renowned personalities. It was session and students enjoyed it a lot.

SE Induction Program next had the Training & Placement officer Prof. Viraj Berge sir's speech. He made a presentation to make students aware about all the efforts & activities that T&P cell takes to provide maximum placements opportunities to students. The activities involved – Aptitude sessions, GD Sessions, technical rounds preparation, industry expert lecturers / sessions, internships, online certifications and many more. He also discussed about the prominent recruiters and statistics of placements till current academic year. Students did enjoyed the session very much as they were introduced to the various different activities they will be participating in the upcoming years.

After the Training & Placement officer speech the program continued with a presentation about Introduction to department activities and detailed explanation about university examination scheme. This presentation was given by the department academic co-coordinator Prof. Pushpmala Navghare along with Prof. Amruta Kapre. Initially in the department presentation students were introduced to the institute and depart ent authorities and the vision as well as mission statement was discussed with them. Afterwords university

examination and marking systems with the details of SGPA and CGPA calculation formulas were explained to the students. The department presentation then included the details like – Laboratory infrastructure, Co-curricular & extracurricular activities, Skill development initiatives, Students welfare cells etc. Focusing on academics Prof. P. V. Nawghare madam has explained that, along with theory classes, faculties have also prepared the practical video recordings for the better understanding of the students. MCQs, Tests & Notes are given on each unit by every subject teacher for better understanding of students.

Our alumni **Mr. Abhishek Raykar** and **Ms. Ishani Rede** both have shared their experience about department and faculty support to achieve their goals. He shared his campus placement experience with students of how to face company interviews and how to prepare ourself for the same. Present Batch Student **Mr. Shravan Gupta** and **Ms. Namrta Birmane** also shared their experience about co-curricular as well as technical activity which is conducted in department. He shared his own progress journey in department which motivates the students to participate in different activities which will happen in department.

On second day induction program started with warm welcome by Prof. Rahul More sir he explained syllabus structure of subjects for academic year 2021-22 to second year sem I. All subject assessment policy and how to achieve course outcomes and program outcomes through different assessment strategies.

Now time to enjoy department was organized **Engineer's Got Talent**- a Showcase of Performance by SE Students in this activity all students participated in different activities like singing songs, drawing pictures, playing musical instruments and speak on social topics. This session provided platform to students to show their talent. Students enjoyed the session a lot.

We ended our induction program with vote of thanks by Prof. Rahul More sir with keynote address.

### NOTICE SE INDUCTION PROGRAM - 2021 Department of Computer Engineering

Semester: **I**                                      Academic Year: **2021-2022**                                      Date: **20/08/2021**

Dear Second Year Engineering Students,  
Welcome to Department of Computer Engineering.

The Department of Computer Engineering is organizing an Induction Program for the Second Year Engineering students; all students of SE are hereby informed to note the schedule of the program.

An online induction program for academic year 2021-2022 is scheduled on 23<sup>rd</sup> August 2021.

Platform: Microsoft Teams

The schedule of the Program is as follows:

Sr. No.	Activity	Start Time	End Time
<b>SESSION-1</b>			
01	Welcome	10:30 AM	10:35 AM
02	Lamp Lighting Ceremony (Sarswati Poojan)	10:35 AM	10:40 AM
03	Welcome Speech by Head of Department, Prof. Aparna Mote	10:40 AM	10:45 AM
04	Speech by Principal ZCoER, Dr. A. M. Kate	10:45 AM	10:50 AM
05	Motivational Session by Chief Guest, Mr. Dnyaneshwar Jadhawar	10:50 AM	12:20 PM
06	Vote of thanks by Prof. R. P. More	12:20 PM	12:25 PM
<b>SESSION-2</b>			
07	Placement Awareness & Importance of Global Certification & Industrial Training/ Internship, entrepreneurship Development Session by Prof. Viraj Barge	12:45 PM	13:00 PM
08	Academic Presentation and University Examination Scheme presentation by Prof. P. V. Shinde/ Prof. A. M. Kapre	13:00 PM	13:10 PM
09	Virtual visit to Computer Engineering Departmental Laboratories & Centre of excellences available at Department	13:10 PM	13:45 PM
10	Alumni Talk – Mr. Abhishek Raykar	13:45 PM	13:55 PM
11	Alumni Talk – Ms. Ishani Rede	13:55 PM	14:05 PM
12	Present Batch Student Talk- Mr. Shravan Gupta	14:05 PM	14:10 PM
13	Present Batch Student Talk- Ms. Namrta Birmane	14:10 PM	14:15 PM
14	Vote of thanks by Prof. R. P. More	14:15 PM	14:20 PM

Thank you.  
With best wishes,
