Research Seminar - Preparation of good presentation for research work

Department of Artificial Intelligence & Data Science, Zeal Collage of Engineering and Research Pune has organized Research Seminar - Preparation of good presentation for research work on 11-04-22 @03:30PM

It is important for Second year students to learn and understand how to prepare good presentation to present your work in front of different committees. Presenting your study is perhaps as important as conducting it, because this is how most people will be able to understand your procedures, discuss results, offer feedback, and take your work a step further. It is also important from the point of Project Based Learning which is part of their syllabus now.
