

Today 04/11/2022 , Mr. Siddhant Mangolikar (T&P Coordinator Civil) and Dr. G.S. Anaokar (HOD Civil) visited 'Builders Association India' Head office, Pune.

We interacted with Mr.H.S Anand (Chairman,BAI) Mr. A.R Gujar (secretary, BAI), Col. Adsar (Shirke Group) and Mr. Bhalla regarding opportunities for zeal education society students.

Builders' Association of India (BAI) was founded in 1941, during the World War-II, under the guidance and blessings of Brig. C.V.S. Jackson, the then Chief Engineer-Southern Command. The main reason behind formation of this Association was to understand the problems and the difficulties faced by the contractors during the construction of time-bound military works.

They offered great support to Student internship programs, Expert lecture series, Panel discussion with renowned builders, workshops and hands on sessions for Civil Engineering degree and diploma students.
