Permission for Student Training Program

Department: Civil Engineering

Semester: II

Academic Year: 2022-2023

Class: SE

Date: 06 -09 -2022

To,
HOD,
Civil Engineering Department,
ZCOER.

SUBJECT: Permission for Student Training Program

Respected sir,

The Civil Engineering Department is planning to schedule a student training program on AutoCAD software in collaboration with CADD Centre , BUND Garden, Pune. These sessions will be conducted by Mr. Jayesh Deo from 12/09/2022 to 17/09/2022/. Hence I would request you to give permission to conduct above mentioned session.

Narhe, Pune-411 041

Given below are the special course fees for the Civil streams of Engineering/Diploma for the students of Zeal College of Engineering & Research, Narhe, Pune 41 in comparison with the fees at our Centre.

CIVIL ENGINEERING

Sr. No.	Product Life Cycle	Course Name	Duration In Hr.		No. of Students	Fees Per Student (in INR)
			Theory	Practical		
1	Drafting	AutoCAD 2D	16	24	35	3500
2	3D Design Architecture	Revit Architecture	16	24	35	5000
4	Structural Design	STAAD Pro.	16	24	35	5500

Terms & Conditions

1. **Please note that above mentioned product pricing which inclusive of all taxes**
2. Payment can be made either through Cheque or DD drawn in favor of "Authorized Bank Account" payable at Pune.
3. CADD Centre, Bund Gardenroad will provide a minimum of 40 Hours of training time.
4. Zeal College of Engineering & Research, Narhe, Pune 41 will ensure a minimum of 35 students per batch to undergo training in CAD.
5. Zeal College of Engineering & Research, Narhe, Pune 41 will take the responsibility of collecting payment from students on or before due date of fee payment.
6. **Validity:** This proposal is valid a period of 3 year.

COURSE SYLLABUS

- Introduction
- File management
- Orthographic drawings
- View management
- Display management
- Layer management
- Selection methods
- Parametric drawings
- Symbol creation using block
- BOM / Joinery details creation
- Isometric drawings
- Perspective drawings
- Annotations and Dimensions
- Team work
- Layout management
- Publish and Plot

Student Development Program Report		
Department: Civil Engineering	Academic Year: 2022-23	Semester: I
		Date: 22/09/2022

To,
Head of the Department,

Subject: Submission of student development program report for Sem I of Year 2022-2023

Respected Sir,

I am submitting the report of AutoCAD training session report conducted from 12th September 2022 to 19th September 2022. I request you to note the activities and observations during session conduction.

Auto Cad training started at 11.10.AM on 12th September 2022 with a welcome note given by Prof. A. V. Wakchaure. Total 22 students were present SE Civil class.

Activity 1: Mr Jayesh Deo introduced about Auto Cad & Google Sketch up software. topic to all students.

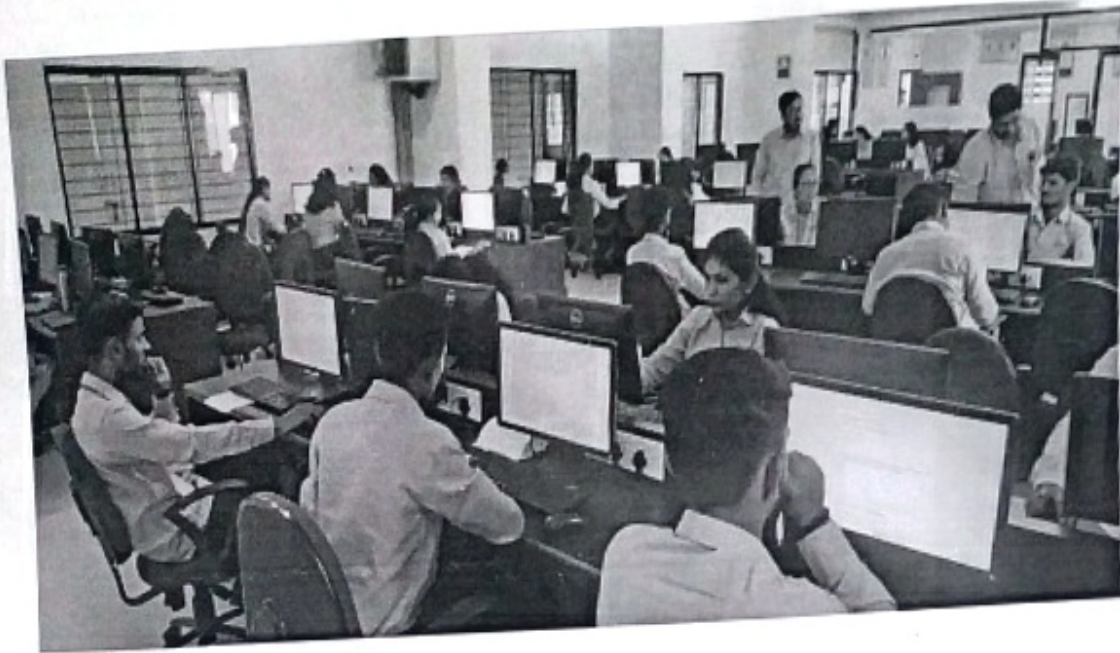

Activity 2: Mr Jayesh Deo started the session with introduction of the software and described about tools, commands used in AutoCAD Software.

Activity 3: Trainer explained about utility of the software and on the last day applications of the software in Civil engineering and he gave various assignments as a task to students.

Activity 4: On last day of training Mr. Jayesh Deo gave a mock test to students for testing their understanding and level of hands on practice. Session ended with vote of thanks by Prof. A. V. Wakchaure.

Photographs of conducted activities attached below:

Summary of Student Training Program

Department: Civil Engineering

Semester: I

Academic Year: 2022-23

Class: SE

Date: 22/09/2022

Title of Activity	Training Program of AutoCAD														
Date of Activity	12 September 2022 to 19 September 2022														
Resource Person	Mr Jayesh Deo (Trainer, CADD Centre Bund Garden, Pune)														
Objective	To make understand students the use of software for drafting and designing by using AutoCAD software that makes work easy in civil engineering industry														
Summary	A student training program on AutoCAD software conducted in Department of Civil Engineering. The training conducted as content beyond syllabus. Total 36 students enrolled for the training session.														
	PO1	PO 2	PO3	PO4	PO5	PO6	PO 7	PO 8	PO9	PO 10	PO11	PO1 2	PSO 1	PSO2	
			✓												
Outcomes	a) Students able to understand commands and working of AutoCAD software. b) Students got to know how to draft a architectural drawings by working plans from construction industry with hands on practice.

Subject: Request for permission to organise the five days workshop on Water Engineering and Technology.

Respected Sir,

With the following details would like to request the permission to organise a **Five days' workshop on "Water Engineering and Technology"** in association with iNode Software Co. Pune. The workshop is beneficial to students as it is providing an opportunity to strengthen new skills, explore the latest technology used in the Water and further enable them to build a unique skillset as per Industry Requirement. Details of the schedule are as follows. Kindly permit for the same.

Event Details:

Sr. No.	Activity / Event and place to organise	Planned Date	Purpose of organising	Sponsorship (if any)
1	Water Engineering and Technology	11/10/2022 to 15/10/2022	Skill Development and Advanced knowledge in the field of water Engineering	Rs. 1299/ student (Batch of 30 students = Rs. 38,970)

Thanking you.

Yours Faithfully.

ABOUT INSTITUTE

Zeal Education Society is established in year 1996 by Hon. Shri S. M. Katkar, an eminent industrialist committed to noble cause of education. Society runs eight institutes from Pre-primary to PhD courses. It caters to educational needs of more than 7000 students, and it's continuously expanding to cope up with growing demands in the field of technical education.

ZCOER is established in 2007 which symbolized the beginning of new era in technical education. The college offers UG engineering degree courses in Artificial Intelligence & Data Science Engineering, Civil Engineering, Computer Engineering, Electrical Engineering, Information Technology, Electronics & Telecommunication Engineering, Robotics & Automation Engineering and Mechanical Engineering. The college also offers PG courses in Data Science, Electrical Engineering (Power System), Electronics & Telecommunication (VLSI and Embedded System), Mechanical Engineering (ME Design / CADME) and Master of Business Administration. The institute is also granted as PhD research center in Electronics & Telecommunication and Mechanical Engineering under Savitribai Phule Pune University, Pune (SPPU) since 2013.

Follow us at : [zealinststitutes](https://www.facebook.com/zealinststitutes)

ABOUT DEPARTMENT

The Civil Engineering Department of ZCOER has been making large strides in its journey since its recent inception in the year 2013. We have state-of-the-art resources and facilities to help the students to explore and realize their true potential. The Department has an intake capacity of 60 students and offers a Bachelor's Degree in Civil Engineering upon the completion of a four-year course. We are driven to provide the highest standards of education to the students so that they can make their place and shine in the constantly developing world. Skilled and eminent faculty members help the students complete the course and maximize their learning using a combined approach of the traditional classroom learning and laboratory activities to help them experiment and truly enjoy the process of learning. To ensure the all-round development of our brilliant minds, the students are encouraged to take part in various competitive events at the national and international levels which not only gives them exposure but also fosters the much-needed qualities of leadership, goal-setting, and team work. Student internship program, project exhibitions, quiz and debate competitions, social and cultural events are some of the prominent programs conducted in Department to help the students sharpen their technical skills and explore their hobbies respectively.

Department Vision : To contribute in the field of Civil Engineering accentuating value added advanced technical knowledge, promoting research and prescient towards entrepreneurial skills.

ABOUT INODE

INODE Software Company is Cloud Based Technology Development Firm and is dedicated to provide holistic solution in Civil Engineering domain with dedicated platforms for:

- Designing
- Proof Checking
- E-Learning
- Cloud Storage

WORKSHOP DETAILS:

Objective:

The objective of Student development Program is to train UG, PG Students, of Civil Engineering to understand the concept of Water treatment in Civil Industry.

- To provide the students an opportunity to strengthen new skills, explore the latest technology used in the Water and Civil Industry and further enable them to build unique skill-set as per Industry Requirement.

WHO CAN ATTEND

This Student development Program is open to all UG, PG Students from Civil Engineering, Environmental Engineering and allied branches.

This Student development Program will help participants to understand the concepts in Water treatment in Civil Industry and upgrade the practical industrial knowledge in view of bridging gap between industry and academia. Interested Candidates have to register prior to the date.

4	Sustainable Development Goals(SDGs)	2	4	Classroom Training
5	Plural Water Supply Scheme (PWS)	2	6	Classroom Training
	Total	10 Sessions	30	

A Five Day Student Development Program divided into 10 Sessions that includes Software Training, Sustainable rural water supply scheme and O & A Sessions.

WORKSHOP BENEFITS

1. Certification - Candidates would be awarded with a Certificate which can help them in securing a promising job.
2. Industry Insights - Candidates would get a deep Industry Insights and unlock the Water Sector potential for promising opportunities.
3. Personalized Professional Portfolio
4. Free Access INODE WTP Tool - 1 month free access to India's first and leading Artificial Intelligent powered Software for Water Treatment Design.
5. Understand every aspect of Water Quality: History, pollution, footprint, its effects on life on the earth, and Training Materials/Training Materials

To,
 HoD Department Mechanical Engineering,
 ZCOER,
 Narhe, Pune -411041

Through: Head of the Department, ZCOER (Civil), Narhe, Pune.

Subject: Request for permission of Seminar Hall for Student Development Program.

Respected Sir,

Civil Department organised a student development program on 'Water Engineering & Technology' from 11th of October to 15th of October (9 AM to 4 PM). During the five days program we need Seminar Hall from mechanical department. Kindly permit for the same.

Thanking you.

Yours Faithfully

Student Development Program Report

Date: 17/10/2022

Department: Civil Engineering

Academic Year: 2022-23

Semester: I

To,

Head of the Department,

Subject: Submission of student development program report for Sem I of Year 2022-2023

Respected Sir,

I am submitting the report of Alumni Interaction Session report conducted from 11th October 2022 to 15 October 2022. I request you to note the activities and observations during session conduction.

Water Engineering & Technology student development program was started at 11.00 AM with a welcome note given by Prof. S. D. Redekar. Total 35 students were present for interaction session from Civil department.

Day 1

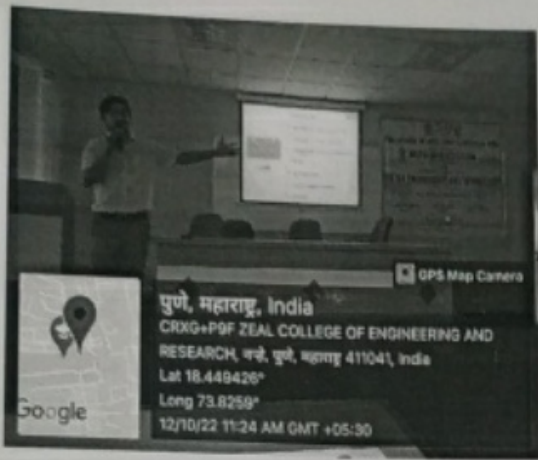

Day 1: After welcome speech Prof. S. D. Redekar introduced of CEO iNode Mr. Rohit Arote, started his presentation on water engineering.

Activity 1: The session begin with the presentation of CEO related to water, value of water, different types of water present in nature, utilization of water, Water Engineering etc.

Activity 2: The second session started with game and open discussion session in which students were enjoyed group discussion session related to water problems faced by society and its implementation.

Activity 3: Third session started with presentation related to opportunities in water sector and the present global crises related to water. The First day ended up with the oath session to conserve water and contribute to improve water foot print.

Activity: Water Engineering & Technology

Academic Year: 2022-23

Semester: I

Day 2

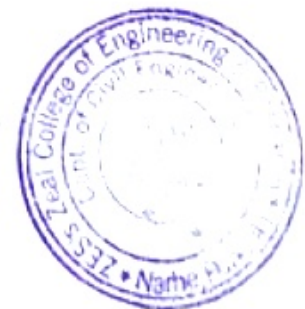

Activity 1: Second Day started with enthusiastic speech of Mr. Abhishek Tipka from IIT Madras on water quality. One of the great sessions was conducted by Tipka sir.

Activity 2: The next session it was of game session. Jigsaw puzzles were given to students related to water and associated problems.

Activity: 3: The day ended with the session of Rohit sir. Sir's session guided students related to the impending Emerging Contaminants & Heavy metals, the human health and the health of the ecosystem are currently in danger. This eye-opening workshop will help you understand some of the alarming issues with respect to water quality, and the emergence to act on it.

Day 3

Activity 1: On the third day, session on hydraulic design of WTP has been carried out by Aditya Sir from Team inode.

Activity 2: The second session started with the tong twister session along with Tong Twister competition. Most of the students failed to speak the Tong Twister " She Sells Sea Cells on Sea Shore"

Activity 3: At last the session ended up with Hydraulic Design of Water Treatment Plant Design WTP using iNODE WTP Software (Hands on Training) as per 03 Government Tender Specification.

Knowledge

NA

An understanding a New Concept

Information about water industry

How to develop Communication skills,

Chances to make career in water supply engineering

Water crisis is major problem to be considered now days and lot of work could be done by civil engineers to solve this problem.

Informative

It should be interesting.

Knowledge about water engineering

It was a reminder to why I chose this path (MSc.urban water and sanitation, Pune University) in the first place and it's importance in present and coming future

Importance and sustainable use of water

Got to learn a lot more about water technology the introduction and a lot more

Listen and learn

That can be used infinitely if managed properly

Various fields in which we can make our future .

Understand the session

Mangement

Act

understand engage and act

Understand engage and act

Knowledge of water

Knowledge about water

Something new and good to know about.

The need of water.

Meaning of Virtual water.

Israel recycle process of water.

Importance of water engineering

Importance of water in human life

Importance of water

Acts

More imformation about Water eng.

Fun interaction

New information

Introduction to water technology

Feedback in words (any form suggestions, appreciation, criticism is appreciated, please do not type "No", "NA", "...", "Good", "Bad" or any such one word/character thing). *

Good

Good

Session is very interesting

Knowledgeable Session

Excellent

The session is good because it helpful to gain something knowledge in the water supply engineering

Proper presentation not yet

Session was good and interactive one

None

The session is very good and we learned something new.

Overall it was a introspective session on basic skills and importance of water resource management

Little language barrier observe during session

It was very nice

All the speakers and the content was good

It was helpful

I liked it very much I have no negative comments except the fact that the screen was too small for presentation

New stuff to learn

I want learn more about the water indstri

WATER full form

New knowledge acquired.

Water knowledge

Facts about water technology history and water chemistry related topics were new and insightful

Understood water quality parameters

Knowledge of water

The basic elements in water and the their amount.

Nothings

Quality aspects

Informational

Water resource engineering

Good

The expert was very knowledgeable through him I also gained a lot

Informative

Software

Water treatment process

Informative

Got to know a lot more about wtp design

Knowledge about Water treatment plant software (inode software) , basic knowledge on water resources

Feeling confident about designing wtp

More information

Learning software

It is very easy to design WTP using software and requires less time.

The design of water treatment plant .

Informational

Knowledge about how to design WTP

Mangement

Treatment plants are not that easy to construct

Design of WTP using software

Design of WTP through software
