Training Program Report

Name of the Program: Softskills Training

Name of the Implementation Partner: KSA Learning

About the Program:

This program was conducted by KSA Learning under Student Training Program (STP).

The said program was designed for All the students from FE & BE Engineering Students. Soft skill training is essential because it equips individuals with the interpersonal and communication abilities necessary to thrive in both professional and personal environments. Soft skills training helps individuals communicate more effectively, whether in writing, speaking, or listening. It enhances clarity, fosters better collaboration, and reduces misunderstandings. Soft skills training helps individuals resolve conflicts constructively, this is essential for maintaining positive relationships and a harmonious work environment. With better communication and teamwork, employees can work more efficiently, collaborate on problem-solving, and avoid unnecessary delays caused by misunderstandings or interpersonal issues. Employees who possess strong soft skills often have more positive interactions with colleagues and supervisors, leading to higher job satisfaction and overall morale.
