Girls Common Room Facility

At Zeal College of Engineering, we are dedicated to providing a supportive and inclusive environment for all students. As part of our commitment to student welfare and empowerment, the college offers various facilities tailored to meet the needs of our female students. One such facility is the Girls' Common Room, designed to cater to their recreational, academic, and social needs.

Location and Accessibility:

The Girls' Common Room is strategically located in Building at Department of Information Technology within the college campus, ensuring convenient accessibility for all female students. Situated in close proximity to the academic buildings and dormitories, it serves as a central hub for female students to gather, relax, and engage in various activities.

Facilities and Amenities:

The Girls' Common Room is equipped with a range of facilities and amenities aimed at enhancing the overall experience of its users. These include:

Comfortable Seating Arrangements:

The common room is furnished with comfortable seating arrangements, including 2 beds, lounge chairs, table, mirror and First-aid Box, providing a cozy environment for relaxation and socialization.

Study and Discussion Areas:

Dedicated study and discussion areas are incorporated into the common room, equipped with tables, chairs, and drinking water, facilitating group study sessions and academic discussions among students.

Wi-Fi Connectivity:

High-speed Wi-Fi connectivity is provided throughout the common room, enabling students to access online resources, collaborate on projects, and stay connected with their peers.

Maintenance and Cleanliness:

The Girls' Common Room is meticulously maintained by the college staff to ensure cleanliness and hygiene at all times. Regular cleaning schedules are implemented, and any maintenance issues are promptly addressed to uphold the quality of the facility..
