

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

List of Courses which addressed above cross cutting issues in the following table:

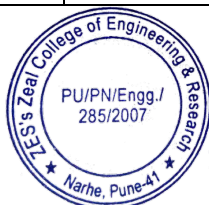

Sr. No.	Program	Class	Pattern	Course Name	Course Code
1	Artificial Intelligence and Data Science	SE	2019	Business Communication Skills	217525
2				Humanity and Social Science	217526
3				Audit Course: Social Awareness and Governance Program / Environmental Studies	217527-II / 217527-III
4				Code of Conduct	210234
5				Audit Course: Water Management/ The Science of Happiness/ Stress Relief: Yoga and Meditation	217535-I /217535-III /217535-IV
6		TE	2019	Environmental Studies	317527
7				Emotional Intelligence	317528(A)
8				Leadership and Personality Development	317537(C)
9				Seminar and Technical Communication	317526
10				Internship	317535
11				Mini Project	317536
12		BE	2020	Project Stage I & II	417527 & 417536
13				Audit Course: Entrepreneurship Development	417529
14				Audit Course: Social Media and Analytics	417537
15	Civil Engineering	SE	2019	Audit Course: Awareness to civil Engineering Practices/Road Safety Management/Foreign Language	201007
16				Project Based Learning	201017
17				Audit Course: Disaster Management	201018
18		TE	2019	Audit Course: Professional Ethics and Etiquettes/ Sustainable Energy Systems	301011
19				Audit Course: Leadership and Personality Development/ Industrial Safety	301021
20				Internship	301016
21				Seminar	301006
22		BE	2019	Audit Course: Stress Management by Yoga / Communication Etiquette in Workplaces	401010
23				Audit Course: Social Responsibility / Human Rights	401019
24				Project Stage I & II	401005 & 401015

25	Computer Engineering	SE	2019	Humanity and Social Science	210250
26				Business Communication Skills	210249
27				Audit Course: Social Awareness and Governance Program/ Environmental Studies/ Smart Cities/ Green Construction and Design	210251
28				Project Based Learning II	210258
29				Code of Conduct	210259
30				Audit Course: The Science of Happiness/ Stress Relief: Yoga and Meditation	210260
31		TE	2019	Seminar and Technical Communication	310249
32				Professional Ethics and Etiquette	310250(B)
33				Cyber Security	310250(A)
34				Internship	310255
35				Sustainable Energy Systems	310259(B)
36				Leadership and Personality Development	310259(C)
37		BE	2019	Project Stage I	410248
38				Audit Course: Entrepreneurship Development/ Industrial Safety and Environment Consciousness/ MOOC-learn New Skill	410249
39				Project Stage II	410256
40				Audit Course: Conversational Interface/ Social Media and Analytics/ Emotional Intelligence	410257
41	Electrical Engineering	SE	2019	Soft Skill	203151
42				Project Based Learning	203152
43				Audit Course: Installation & Maintenance of Electrical appliances	203153(B)
44		TE	2019	Seminar	303146
45				Audit Course: Energy storage systems/Start-up & Disruptive innovation	303147A & B
46				Internship	303152
47				Audit Course: Ethical Practices for Engineers/ Project Management	303153A & B
48		BE	2019	Project Stage-I	403145
49				Alternate Energy System	403144A
50				Audit Course: Engineering Economics I/Sustainability(IGBC)	403147B & C
51				Project stage II	403152
52				Audit Course: Engineering Economics II/Green Building	403153B & C
53	Electronics & Communication Engineering	SE	2019	Audit Course: Technical English For Engineers /Ecology and Environment/Ecology and	204190

				Society/Science, Technology and Society	
54				Project Based Learning	204200
55				Employability Skills Development	204199
56				Audit Course: Enhancing Soft Skills and Personality / Language & Mind / Emotional Intelligence /Human Behaviour/Speaking Effectively	204201
57		TE	2019	Skill Development	304190
58				Internship	304199
59				Mini Project	304200
60				Audit Course: Developing Soft skills and Personality/Entrepreneurship and IP Strategy/Urbanization and Environment/Environmental & Resource Economics/Environment and Development /Globalization and Culture	304191 (A)
61				Audit Course: Patent Law for Engineers and Scientists/ English language for competitive exams/ Energy Resources, Economics and Environment/Principles of Human Resource Management/Six Sigma/Non- Conventional Energy Resources	304191 (B)
62		BE	2019	Project Stage - I	404188
63				Audit Course: Knowledge Management/ Energy Economics & Policy/Educational Leadership / Human Resource Development	404189
64				Project Stage - II	404197
65				Innovation & Entrepreneurship	404193
66				Soft Skill Lab	214449
67		SE	2019	Audit Course 3: Ethics and Values in Information Technology/Quantitative Aptitude & Logical Reasoning/Cyber Security and Law/	214450 (A)
68				Project Based Learning	214458
69	Information Technology			Audit course 4: Water Supply and Management/e-Waste Management and Pollution Control/Intellectual Property Rights	214459 (A)
70		TE	2019	Seminar	314449
71				Audit Course: Banking and Insurance/ Startup Ecosystems	314450A & B
72				Internship	314455
73				Audit course:	314459A & B

				Green and Unconventional Energy/Leadership and Personality Development	
74				Project Stage-I	414448
75				Audit Course: Copyrights and Patents/Stress Management by Yoga	414449A & B
76				Startup and Entrepreneurship	414453
77				Project Stage II	414456
78				Audit Course: Cyber Laws and Use of Social Media/Constitution of India	414457B & C
79				Audit Course: Entrepreneurship Development/Developing soft skills and personality/Design Thinking	
80				Project Based Learning - II	202052
81				Audit Course: Language & Mind Emotional Intelligence/Human Behaviour/Speaking Effectively/Business Ethics	202053
82				Skill Development	302047
83				Audit Course: Entrepreneurship and IP strategy/ Engineering Economics/Management of Inventory Systems	302048
84				Internship/Mini project	302055
85				Audit Course: Business and Sustainable Development/Management Information System/International Business	302056
86				Project (Stage - I)	402047
87				Project (Stage - II)	402053
88				Energy Engineering	402049
89				Energy Audit and Management	402050B
90				Audit Course: Road Safety Ethics in Engineering Practice	211090
91				Project Based Learning	211099
92				Seminar	311506
93				Audit Course: Disaster Management	311507
94				Internship	311513
95				Audit Course: Technical writing and communication skill	311514
96				Project Stage-I	
97				Project Stage-II
