REPORT OF TRAINING SESSION ON C AND C++

To enhance the understanding of students about C and C++ Programming. We planned to schedule an Industry or Academic Expert Training for the course Information Technology Department Students. The best suitable expert was identified for this session and details are as per the table below.

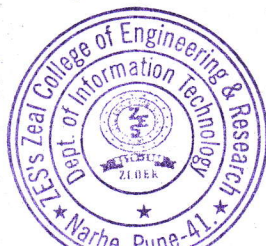

Training on module of C and C++ was conducted by Prof. Balaji Chaugule

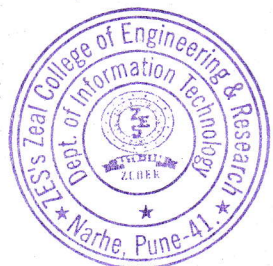

The training was scheduled from 10/04/2018 to 14/04/2018.

Name of Expert	Prof. Balaji Chaugule
Designation	Asst. Professor Dept. of Computer Engineering
Organization	Zeal College of Engineering and Research , Pune
Experience	8 Years
Date	10/04/2018 to 14/04/2018

Prof. Balaji Chaugule explained theoretical concept as well as application of C and C++ in practical sessions. The major objective of session was to enlighten students with the practical knowledge of C and C++. C++ is object oriented programming language. Its main focus is on objects and manipulations around these objects. It is used in developing browsers, operating systems and applications as well as in software programming and data structures etc. This session will serve as a link for understanding Object Oriented Programming, an academic subject in a better way.

Overall the session was proven to be very interesting, inspiring, informative and very beneficial to all students. Total 70 students of SE and TE participated in session.
