Sub: Invitation as a Guest Speaker for a State Level Workshop on "Business Opportunities in Environmental Engineering" during February 01-02, 2019.

Dear Sir,

Greetings from ZCOER, Pune!

Zeal College of Engineering and Research (ZCOER), Narhe, Pune established in the year 1996, offers undergraduate courses in Civil, Computer, Electrical E&TC, Mechanical Engineering and Information Technology. The Post graduate courses offered are Computer Engineering, Power Systems, VLSI & Embedded Systems and Mechanical Engineering (Design Engineering and Computer Aided Design). The institute is approved Research Center for PhD and Research Studies. The institute has been accredited by NAAC with "A" Grade.

Department of Civil Engineering of Zeal College of Engineering and Research Pune has planned to organize a State Level Workshop on "Business Opportunities in Environmental Engineering" during February 01-02, 2019 at our Narhe campus.

This Workshop aims to make aware and guide about various business opportunities in green building, green material supply, water and wastewater operation and maintenance, monitoring, restoration and rejuvenation, Mechanical-Electrical-Plumbing (MEP), Environmental-Safety-Health (ESH) green architecture and government sector. The participants are UG/PG students, research scholars and faculty members.

We would like to invite you for this workshop as a Guest Speaker for the session on "Opportunities in Green Architecture."

You are requested to kindly accept our invitation and grace this Event. Looking forward for your favorable response.

Thanking you,
Yours sincerely,

Dr. P. P. Walvekar
Convener and HOD, Civil Engineering

The department of Civil engineering, organized two days state level workshop entitled "BUSINESS OPPORTUNITIES IN ENVIRONMENTAL ENGINEERING" on 01st and to 2nd February 2019 Under Aegis of Savitribai Phule Pune University, Pune (Maharashtra). Dr. P. P. Walvekar, Head of Civil Department was the convener of this workshop and Prof. G. S. Anaokar was Coordinator.

Budding environmental Engineers generally opt for conventional job opportunities. As environmental concern is the key element in national development, there are ample unrevealed business opportunities available in this sector. Entrepreneurship in environmental engineering is mostly neglected due to lack of guidance and awareness about it. This workshop is organized to focus on steps involved in seizing these opportunities.

This workshop was comprised of information regarding various business opportunities in green building, green material supply, water and wastewater, value added products from wastes, zero liquid and solid discharge, operation and maintenance, monitoring, restoration and rejuvenation, Mechanical-Electrical-Plumbing (MEP), Environmental-Safety-Health (ESH), green architecture and government sector. The renowned field practitioners shared their knowledge and experiences about these topics.

On the inaugural day the event started by auspicious hands of Dr. S. B. Thakre; Member Board studies Civil engineering SPPU. He shared his thoughts about startups, encouragement towards entrepreneurship and seeking opportunities for the same. Dr. P. P. Walvekar, Convener of this workshop felicitated and introduced the objectives of workshop. Dr. S. A Deokar, Campus Director, ZES elaborated energy sector demands and concerned opportunities. Dr. A. M. Kate, Principal, ZCOER appreciated the theme and content of this workshop and motivated participants to look at business sector seriously. Prof. R. V. Saraf, in his key note had an extended discussion on various dimensions of environmental engineering and related upcoming sectors offering business plans. Prof. G. S. Anaokar, Coordinator of this workshop expressed vote of thanks to all dignitaries and participants. The day was engaged by the sessions by Mr. Vishwas Kale (Managing Director, M/s Klean Environmental Consultants (P) Ltd. Mumbai); Mr. Ajit Saraf, (Director, AJIT SARAF Environmental Consultants and Registered Chartered Engineer, Thane) and Ms. Sujata Kodag, (Proprietor, Design Consortium). The interactive sessions were executed containing scope in water, wastewater, green materials etc. on 2nd February 2019, sessions by Mr. Vijay Kamble (Additional Chief Engineer, CIDCO (Rtd.),

The department of Civil engineering, organized two days state level workshop entitled "BUSINESS OPPORTUNITIES IN ENVIRONMENTAL ENGINEERING" on 01st and to 2nd February 2019 Under Aegis of Savitribai Phule Pune University, Pune (Maharashtra). Dr. P. P. Walvekar, Head of Civil Department was the convener of this workshop and Prof. G. S. Anaokar was Coordinator.

Budding environmental Engineers generally opt for conventional job opportunities. As environmental concern is the key element in national development, there are ample unrevealed business opportunities available in this sector. Entrepreneurship in environmental engineering is mostly neglected due to lack of guidance and awareness about it. This workshop is organized to focus on steps involved in seizing these opportunities.

This workshop was comprised of information regarding various business opportunities in green building, green material supply, water and wastewater, value added products from wastes, zero liquid and solid discharge, operation and maintenance, monitoring, restoration and rejuvenation, Mechanical-Electrical-Plumbing (MEP), Environmental-Safety-Health (ESH), green architecture and government sector. The renowned field practitioners shared their knowledge and experiences about these topics.

On the inaugural day the event started by auspicious hands of Dr. S. B. Thakre; Member Board studies Civil engineering SPPU. He shared his thoughts about startups, encouragement towards entrepreneurship and seeking opportunities for the same. Dr. P. P. Walvekar, Convener of this workshop felicitated and introduced the objectives of workshop. Dr. S. A Deokar, Campus Director, ZES elaborated energy sector demands and concerned opportunities. Dr. A. M. Kate, Principal, ZCOER appreciated the theme and content of this workshop and motivated participants to look at business sector seriously. Prof. R. V. Saraf, in his key note had an extended discussion on various dimensions of environmental engineering and related upcoming sectors offering business plans. Prof. G. S. Anaokar, Coordinator of this workshop expressed vote of thanks to all dignitaries and participants. The day was engaged by the sessions by Mr. Vishwas Kale (Managing Director, M/s Klean Environmental Consultants (P) Ltd.
