ABOUT ZCOER

16-18 June, 2021

Zeal College of Engineering and research (ZCOER), Narhe, Pune established in the year 1996, offers undergraduate courses in Civil, Computer, Electrical, E&Tc, Mechanical Engineering and information Technology. The Post Graduate courses offered are Computer Engineering, Power Systems, VLSI and Embedded Systems and Mechanical Engineering (Design Engineering and Computer Aided Design). The institute is approved Research Centre for PhD and research studies. The institute has been accredited by NAAC with "A" Grade.

ABOUT DEPARTMENT OF CIVIL ENGINEERING, ZCOER, PUNE

The Civil Engineering Department of ZCOER has been making large strides in its journey since its recent inception in the year 2013. We have state-of-the-art resources and facilities to help the students to explore and realize their true potential. The Department has an intake capacity of 60 students and offers a Bachelor's Degree in Civil Engineering upon the completion of a four-year course.

We are driven to provide the highest standards of education to the students so that they can make their place and shine in the constantly developing world. Skilled and eminent faculty members help the students complete the course and maximize their learning using a combined approach of the traditional classroom learning and laboratory activities to help them experiment and truly enjoy the process of learning. To ensure the all-round development of our brilliant minds, the students are encouraged to take part in various competitive events at the national and international levels which not only gives them exposure but also fosters the much-needed qualities of leadership, goal-setting, and team work. Student internship program, project exhibitions, quiz and debate competitions, social and cultural events are some of the prominent programs conducted in Department to help the students sharpen their technical skills and explore their hobbies respectively.

ABOUT JACOBS

- At Jacobs, we make the world smarter, more connected and more sustainable
- At Jacobs, we solve the most important problems, the ones for the real world – making life simpler and more seamless along the way. Each of us is united by the drive to dream big while keeping our feet planted firmly on the ground. We're energized equally by the extraordinary as the seemingly mundane – finding nuggets of inspiration in sometimes routine places. And our shared curiosity means we look beyond for insights and ideas.
- Our solutions are creative and influence how we live today as well as into tomorrow. We're some of the smartest minds in the world, which means we always know there's more to learn.
- Challenging today is our response to the increasing complexity our world is experiencing
- Reinventing tomorrow is our promise and an invitation to raise the bar in everything we do

Lol to arrange national level webinar at Zeal College of Engg. and Research, Pune

Sat, May 15, 2021 at 11:14 AM

Guruprasad Anaokar <guruprasad.anaokar@zealeducation.com>
To: Dileep.pednekar@jacobs.com
Cc: pranavpadhye4@gmail.com

To,

Mr. Dileep Pednekar

Section Manager;
Jacobs, Mumbai.

Respected sir,

Greetings from ZCOER, Pune!

Zeal College of Engineering and Research (ZCOER), Narhe, Pune established in the year 1996, offers various undergraduate and postgraduate engineering courses. The institute is an approved Research Center for PhD and Research Studies. The institute has been accredited by NAAC with "A" Grade. Department of Civil Engineering of Zeal College of Engineering and Research, Pune was established in 2012.

The Civil Engineering department is planning to organize a National Level Webinar on "**Emerging trends and opportunities in Transportation Engineering and its interdisciplinary importance**" from June 3 to 4; 2021. (Total 6 sessions - 1.5 hrs Each)

This webinar aims to make aware and guide about advancement in the field of transportation engineering and role of various disciplines of engineering in this field. The participants would be UG/PG students, research scholars and faculty members.

You are requested to provide your expert team for various sessions. It will be very prestigious for us if we could make this event **in association with Jacobs.**

Looking forward to your favorable response.

Thanks and regards,

Prof. (Dr.) Guruprasad. S. Anaokar

To,

Mr. Guruprasad Anaokar,

Thank you for contacting us. I have sent your request to management for further approval and will come back to you this week.

Please let us know how many sessions you are looking from us out of 6.

Regards

Dileep

Tue, May 18, 2021 at 9:48 AM

Respected sir,
Thanks for your immediate response.
We are planning this national webinar for 2 days with 6 sessions.
It will be more fruitful if maximum sessions will be from your expert team, as the prime motive of this seminar is to bridge the gap between industry and academics. If required but not decided; I can invite any IIT or NIT expert who can deliver a session regarding research components in Transportation Engineering.

Requesting maximum sessions from your expert team so that it will be purely under the banner of Jacobs and ZEAL Institutes.

I would also like to request you to give me an idea about remuneration we need to pay per session (if any); considering academic resourcing.

It will be nice if we can have a telephonic conversation regarding this.

Thanks again,

Regards

Mr. Anaokar,

I have outline 6 topics as below. We will finalise it early next week by Tuesday, You mentioned 15th, 16th and 18th June. Are you taking a break on 17th? Also I want to know if we would be having technical session in first session

	Topic	Duration	Remark
Day 1- Session 1	About Jacobs + Intelligent Transport Modelling	16 th June 10:30 am to 12:00 noon	Samidha will give a branding opening and about Jacobs.
Day 1- Session 2	Smart Motorways - Concepts and insights	16 th June 2:30 pm to 4:00 pm	Overall advancement in the Highways with Smart concept. Best Practices, Benefits and Standards
Day 2 – Session 3	Storm water Designs- Global Concepts and Design insights	17 th June 10:30 am to 12:00 noon	Overall concepts, Methodology, Tools, Global warming concepts. Modelling, buildability etc.
Day 2- Session 4	Building Information Modelling (BIM)	17 th June 2:30 pm to 4:00 pm	Concept, Benefits, Insights, Advancements, Tools and techniques, Experience.
Day 3 – Session 5	Digital delivery - Concept, Advancement and benefits	18 th June 10:30 am to 12:00 noon	The future of Design Delivery, Concept, Digital by Default, Innovation, Solutions and technology
Day 3 – Session 6	Global Integrated Design Delivery – Importance Cultural Awareness	18 th June 2:30 pm to 4:00 pm	Cultural impact on Design approach and delivery approach. Concept and Benefits and

Respected sir,

The schedule will be as follows;

Schedule	Sessions	Particulars	Time
Day 1; 15/06/2021	Inaugural – 30 Min	Key note Session Technical	10:30 AM to 12.00 Noon
	Session 2	Technical Session	02:30 PM to 04.00 PM
Day 2; 16/06/2021	Session 3	Technical Session	02:30 PM to 04.00 PM
Day 3; 17/06/2021	Session 4	Technical Session	02:30 PM to 04.00 PM
Day 3; 18/06/2021	Session 5	Technical Session	10:30 AM to 12.00 Noon
	Session 6	Technical Session and Valedictory	02:30 PM to 04.00 PM

Kindly Confirm.

ZEAL EDUCATION SOCIETY'S ZEAL COLLEGE OF ENGINEERING AND RESEARCH NARHE PUNE -41 INDIA		
Record No.: ZCOER-ACAD//	Revision: 00	Date: 01/04/2021

A brief report on National Level Webinar on "Emerging Interdisciplinary Trends and Opportunities in Transportation Engineering"

Department of Civil Engineering of Zeal College of Engineering and Research, Pune, in association with JACOBS Engineering planned to organize national level webinar on "Emerging Interdisciplinary Trends and Opportunities in Transportation Engineering". The webinar session was organized from 16th-18th June 2021.

Aim to conduct the webinar: To imbibe the information on use of modern tools in Transportation Engineering among the attendees.

Objective: The Faculty of Civil Engineering believes in strong Industry-Institute relations for trainings and placements of students in industrial sector. The objective of the webinar is to provide students on-field experiences, skills of decision making during critical situations and to train them for their industrial internships/jobs.

Brief:

Session	Topic	Date and Time	Speakers	Synopsis
1	About Jacobs & Intelligent Transport System	16 June , 10:30 am	Chidanand BS Anirban Pal Sreetha Dilip	Introduction about Jacobs was given. Systems involved in transport system were discussed , namely MS 3 and MS 4 , MIDAS.
2	Smart Motorways and Concepts	16 June , 2:30pm	Saurav Talukder, Tariq Khan	Advantages of smart motorways were discussed. Key features of smart motorways were also highlighted.
3	Storm water designs – Global Concepts and Insights	17 June , 10:30 am	Omkar Joshi , Radhika Apte	Some key topics discussed were software for micro drainage , glimpses on US drainage , Indian drainage

				design and Overview on Airport project.
4	Building Information Modelling	17 June , 2:30 pm	Nibedita Chakraverty , Saurav Talukder	The speakers briefly elaborated about how BIM is gaining importance across the globe. Also, how business value is derived from BIM.
5	Digital Delivery – Concept , Advancement and Benefits	18 June , 10:30 am	Swati Karwade, Renu Arora	The speakers from Jacobs highlighted the rapid evolution in field of digital delivery and digital advancements made in the industry. Also, the key constituents involved in the 4 th revolution of advancements were discussed briefly
6	Global Integrated Delivery – Importance of Cultural Awareness	18 June , 2: 30 pm	Samidha Mangaonkar , Vipul Dessai	The importance of cultural awareness across the globe while ensuring focused delivery was explained in the session.

Inauguration of the session: Dr. A. M. Kate, Principal, ZCOER and Prof. G. S. Anaokar

**Abstract highlighting how gap of modern tool usage was achieved through
Jacobs Webinar**

It was identified that the modern tool usage was not covered as per course outcomes of the current syllabus. Thus, an expert webinar was conducted by the Civil Engineering Department in association with a leading industrial company – Jacobs, working in the domain of civil engineering and using modern tools and softwares. The expert sessions in diverse topics helped the participants to understand the significance of modern tool usage and also the effective implementation of softwares and other digital tools was emphasized deeply through the webinars.

Alumni Interaction Session Report

Department: Civil Engineering

Academic Year: 2021-22

Semester: II

Date: 21/03/2022

To,

Head of the Department,

Subject: Submission of Alumni Interaction & Site Visit Session report for Sem II of Year 2021-2022

Respected Sir,

I am submitting the report of Alumni Interaction Session report conducted on 19/03/2022. I request you to note the activities and observations during session conduction.

Alumni interaction session started at 02.00 PM with a welcome note given by Prof. S.D. Redekar. Total 40 students were present for interaction session from Civil department.

Activity 1: After welcome speech Prof. S. D. Redekar introduced Alumni Mr. Krishna Chare & Mr. Abhishek Nannaware & interaction session topic in detail to all students.

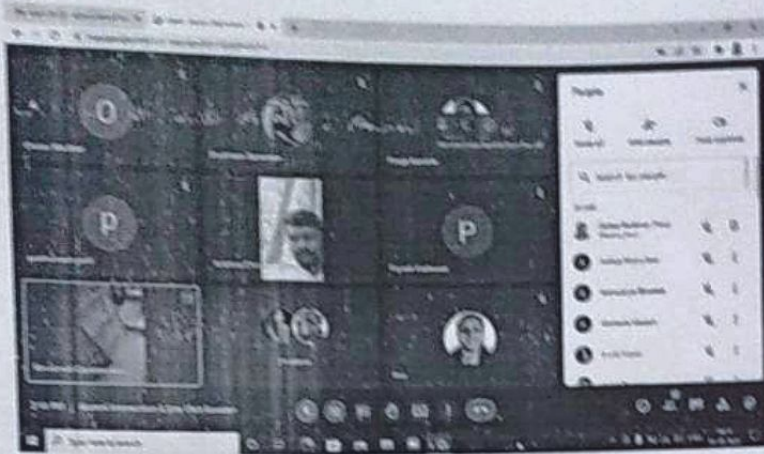

Activity 2: Both Alumni are working as Entrepreneurs in Kaka Engineers & Navnirmitee constructions respectively. They explained about business opportunities for civil engineers & shared their experiences.

Activity 3: During the discussion session most of the students asked questions and cleared their doubts regarding business startup & key points about it. Effective interaction between students & Alumni has been observed during the session.

Activity 4: Meeting concluded with vote of Thanks given by Prof S. D. Redekar & asked for feedback of the session.

Photographs of conducted activities are attached below:
