STARTUP & INNOVATION with ENTREPRENEUR DEVELOPMENT CELL

Let's look at nuts and bolts of building a microbusiness

NEED THREE BASIC THINGS TO START A BUSINESS:

1. What You Sell: Product Or Service
2. Your Customers: Are They Willing To Pay For It
3. A Way To Get Paid

CASE 1: Lot of interested Customers → Nothing to sell → You don't have a business

CASE 2: Something to sell → No one willing to buy → You don't have a business

Looking Beyond product Innovation

Let us broaden our understanding of Innovation

2. **CONCEPTION OF THE PROGRAMME**

To bridge the gap between what graduates know and what employers want is one reason for the high unemployment rate among graduates. Thus Zeal Education Society's Engineering and Management Institutions encourage students to acquire skills that will be useful in the workplace. To narrow it down what is really required/will require in near future to succeed in corporate we provide our students an opportunity to directly interact with the industry leader in respective field. This is the platform where industry leader enlighten and inspire students to pursue/initiate career in the field of their interest and also addresses student query if any.

3. **OUTCOME**

- a) To enhance learning experience for our students
- b) To provide them opportunity to interact with Global leaders from respective field
- c) To impart knowledge of international business etiquette – customs & culture

4. **RESOURCE PERSONS**

Management was very supportive during the planning and overall Program Dr. Ashwini Sovani, Dr. Ajit Kate were the key person in motivating & supporting throughout the activity
