### Mr. Amol Nitave

While talking to Mr. Amol, he said, *"We all are an integral part of the society, and hence we all must contribute in our own capacity, whenever there is a need for the society. We had a vision to empower 10,000+ youths on Goal Setting through this campaign to give them positive hopes & direction amid the churning happening during the lockdown due to the COVID-19 pandemic."*

Further he added, *"Of course it was tough, tiring and tedious task. There were millions of reasons for not doing this program, however one reason was good enough to make it happen! That reason is, our responsibility to give back to the society! And this is how we do our Social Responsibility!"*

He thanked FTPO, FUEL and all T&P Officers and mentioned that *"It's a great example of collaboration, coordination & collective efforts!"*

Future is bright!

### Why Goal Setting & Planning?

Goal Setting & Planning is one of the fundamental life skills, essential to get a lot of clarity, courage and confidence in ones life! A person without goals is like a ship without rudder. In life, having goals complimented with a proper plan to accomplish it enables greatness, happiness & success.

This tool to foster positive attitude to take well thought through decisions & actions has helped a lot of successful people in the world!

### How was the journey of this initiative?

Goal Setting & Planning workshops started from Amravati Region, followed by Indore & Kolhapur Regions. During the first week, we faced few challenges with Zoom Platform as most of the participants were not acquainted with a virtual platform. However, it became a smooth experience later.

We received an amazing response from few groups of institutions where we crossed 500+ participants during the session - **DYP, CMR, JSPM, MMCOE, Sinhgad & Zeal Group of institutes**, to name a few! We also got an opportunity to empower **Meritorious Girls** from **Lila Poonawala Foundation, Cummins College of Engineering Nagpur, and BVP College of Engineering for Women**, considering Diversity as one of the focus area!

Finally, during the session for MMCOE (Pune), we accomplished our Goal on **2nd June, 2020!**

We sincerely thank all TPOs, Faculties and every individual associated with this initiative. Without your support, motivation & guidance, it would have been possible to create such a great impact for our society, especially towards YOUTH EMPOWERMENT!

**YES, TOGETHER WE MADE IT HAPPEN!**

Future is bright!
