Dear Alumni,

We would like to convey our sincere thanks for being here at Zeal College of Engineering and Research, Pune, and devoting your valuable time for value addition in knowledge of our engineering students. The way one learns is only by experiencing something & you made your juniors to be aware of that & taking them through your experiences was one of the key requirements. The information & the additional references you provided were both fascinating and timely.

Your excellent delivery of information was very well received by the students. We expect same kind of cooperation in near and far future.

Thanking you.
