* In many programs, all required learning activities and content will be supported remotely during COVID-19 pandemic travel restrictions. Some programs include compulsory courses that require students to attend classes in person (such as laboratory-based practices). We hope that students enrolled in programs with compulsory on-campus classes will be able to join us in Adelaide. However, if that is not possible because of travel restrictions, we will do the feasible and adjust study plans to enable students to progress. In some cases, this may mean that students will have compulsory on-campus classes at a future date, when it is possible to travel. In other cases, we will offer alternative remote courses. Students will be advised in advance if there are course components that require in-person attendance and if prevented from joining us in Adelaide, we will continue to offer them high quality, remote learning for the courses in which they can enrol.

Upon the relaxation of travel restrictions, students will need to travel to Australia (if overseas) on a student visa to commence in-person studies at the University of Adelaide as soon as they are able. Students must be eligible to apply for a student visa as soon as they are able, to facilitate this process.

Congratulations! Based on your current academic performance, you are eligible for the University of Adelaide 15% Global Citizens Scholarship. The scholarship provides a 15% reduction of the tuition fee for the standard full-time duration of your chosen program. If you are still completing your qualification, your eligibility will be reassessed once we receive your final results. If you have already completed your qualification, simply accept your offer to receive the scholarship. For full terms and conditions, and information on our other scholarships, please visit www.international.adelaide.edu.au/admissions/scholarships.

Important Information

University English Entry Course (UEEC) at UNSW Global

It is important that you apply early to get your English studies underway and secure your place at UNSW.

Successful completion of University English Entry Course (UEEC) will determine when you can start your program at UNSW. Remember, final admission to UNSW is conditional on you satisfying English proficiency requirements through the University English Entry Course (UEEC) or recognised English tests results.

When you are ready to enrol in the UEEC, please follow these simple steps:

- Step 1 Follow the instructions for accepting and paying fees to obtain an electronic Confirmation of Enrolment (eCoE) for the UEEC component of your package.
- Step 2 Upload your UEEC eCoE, Conditional Offer Reply Form and program deposit via your [Apply Online](#) account or via [myUNSW](#) if you are a UNSW Foundation applicant.

If you are an official international sponsored student, please also forward the International Sponsored Students Agreement Form and Financial Guarantee to the Sponsored Students Team at sponsoredstudents@unsw.edu.au. Please note that the eCOE of your degree program will not be issued until the Sponsored Students Team confirms your sponsorship status with the Admissions Office.

Complaints and Appeals

UNSW follows a three stage complaints handling model.

1. Local Resolution: If you feel comfortable handling your issue then the best resolution of a complaint is near its source.
2. Central Resolution: This is a formal process for more serious or complex complaints, or for matters unresolved by or inappropriate for the local process and involves the Student Conduct and Integrity Unit.
3. Appeals: An appeal in respect of a decision following a Stage 2 process may only be lodged on the grounds of a lack of procedural fairness in the investigation process.

External Review: If you are dissatisfied with the outcome of the appeal you may seek external review, for example by an agency such as the NSW Ombudsman.

Further information about the complaints and appeals process can be found at student.unsw.edu.au/complaints

Refund and Program Discontinuation Policy

Applicants who notify the University in writing that they wish to withdraw/discontinue from their program in their commencing term, will receive a full refund of all tuition fees and unspent non-tuition fees paid, less a discontinuation fee.

Any Refund and Discontinuation Fee will apply as per the following table:

Refund and Discontinuation Fee	
Visa refusal, documented illness/misadventure	Full refund
Accepted a full offer of admission and paid the deposit fee	50% of the deposit fee
Where a student has been found to have submitted false information and/or fraudulent documentation	No refund
Enrolled and requests withdrawal/discontinuation after Census date	Student remains liable for full tuition costs

For more information about the UNSW Student Fee Policy and Student Fee Procedure visit student.unsw.edu.au/fees-policy. This policy, and the availability of complaints and appeals processes, does not remove your right to take action under Australia's consumer protection laws.

In the unlikely event that UNSW is unable to offer an alternative course or pay a refund you can contact the

Australian Government Tuition Protection Service (TPS) for assistance. Please go to <https://tps.gov.au>. The TPS ensures that overseas students are able to either complete their studies in another course or with another education provider or receive a refund of their unspent tuition fees.

The following table outlines OSHC requirements for sponsored and non-sponsored students.
