Name: Raman Chamle

Dear Raman

With reference to your application and subsequent assessments you had with us, we are pleased to inform you that you have been shortlisted for the position of Customer Service Associate at Pune facility of Amazon Development Center India Pvt. Ltd. (the "company").

Please treat this as a letter of intent ("LOI") valid for a period of 365 days from the date of issue of this letter upon expiry of which the letter of intent will expire without any further conditions or liabilities on your or our side unless an Offer Letter duly executed by the Company is issued to you before the expiry of the aforesaid 365 day period. The issue of an Offer Letter to you is subject to the Company's future business requirements and will be issued at the sole discretion of Amazon. Upon issue of the Offer Letter, this LOI stand automatically terminated. This LOI shall also be terminated automatically in the event you take up employment with another person (other than the company) before issue of the Offer Letter.

You are required to submit the following documents:

- Copies of the Educational Certificate (from Class 10th till the highest education)
- Relieving letter from the previous employer/s (if applicable)
- Service letter from the previous employer/s (if applicable)
- Last payslip from the previous employer/s (if applicable)
- Form 16 (if applicable)
- Address Proof
- Passport Size Photographs (6)
- Copy of PAN card

Upon signing the Offer Letter, you would be eligible to a Base Pay of Rs. 206000 per annum. The same may be revised at the time of the issuance of an Offer Letter as per prevailing levels of pay at the time of issue of the Offer Letter. The amounts stated herein are only indicative and in no way a binding commitment on the Company's part. In addition, you will be eligible for benefits as per company policies.

R

Development Centre
(India) Private Limited

You are hereby notified that you are not employed in the absence of a signed Offer Letter. This LOI relates only to your potential employment with the Company and does not constitute an offer of employment with respect to the Company or any affiliate or related entity. Further, this LOI does not create or vest any rights in you to be issued an Offer Letter whether within the 365 day period referred to herein or thereafter or with respect to the base pay as mentioned herein.

In the event that you receive an offer of employment from any other employer (apart from the Company), you are requested to immediately intimate the Company in writing of such offer.

You are required to return the duplicate copy of this letter duly signed indicating your acceptance of the terms and conditions stated above. Acceptance of this LOI will be construed as a confirmation that you do not have any obligations arising from any contract or otherwise in favor of a prior employer or third party, which would impose restrictions on your ability to accept employment with the Company and carry out your Company related functions and duties upon employment, if and once the Offer Letter is issued.

Summary

Web Application Journey

I have good knowledge of Codeigniter 3. I have developed more than four projects between 2021 - 2022.

PROJECT 1

- Pustakwala ERP (feb, 2021 – may, 2021)
- Frontend: HTML, CSS, JS
- Framework: Codeigniter 3
- Database: My SQL
- Web link: <https://pustakwalas.in/account/>

-Description:

This project is a stock management website developed for a pustakwala.

The client can be able to add updates or delete the following.
(Users, Books, Stock, Invoice, Categories, Authors, and User Access)

PROJECT 2

- Hotel Management (may, 2021 – dec, 2021)
- Frontend: HTML, CSS, JS
- Framework: Codeigniter 3
- Database: My SQL
- Web link: <http://scanjee.com/kot/>

-Description:

This project is a hotel management website developed for a scanjee.

The client can be able to add updates or delete the following.

(Admin, Hotels, Waiters, Orders, Menu)

Customers can be able to order from home as well as from the table.

This project is developed in such a way that hotel owners can be able to track everything.

PROJECT 3

- Customers ERP (Jan 2022 – Mar, 2022)
- Frontend: HTML, CSS, JS
- Framework: Codeigniter 3
- Database: My SQL
- Web link: <http://revapanchang.in/>

-Description:

This project is a customer management website developed for Shree RevaTech.

The client can be able to add updates and delete the following.

(Users, Posters, Panchang Data, Quotes, Day special)

Customers can be able to log in and generate their own advertised posters. Also, customers have been restricted to two types of subscriptions, basic and premium.

PROJECT 4

- Gym ERP (mar, 2022 – ongoing)
- Frontend: HTML, CSS, JS
- Framework: Codeigniter 3
- Database: My SQL
- Web link: -

-Description:

This project is a membership management website developed for Shree RevaTech.

The client can be able to add updates or delete the following.

(Users, Packages, Payments, Categories, Bills)

The client can be able to send SMS and Email to members after his / her subscription got ended.

The world is filled with mysteries, I have no special talents to solve those mysteries but I'm only passionately curious.

I have worked on 8-bit and 32-bit micro-controllers without any guidance and now I'm looking for a guide who will teach me where to look.

Here is the list of the projects I worked on

- 1) Automatic Stabilizer
- 2) Desalination of water and monitoring system.
- 3) Android Control Bot

- 4) Wire Cutting Machine
- 5) DCMI using ARM Cortex
- 6) RF433 Transmission
- 7) Inverter Backup indicator
- 8) IoT Base EV Charging system using ESP8266
