Subject: Offer of Employment as Trainee Associate Software Engineer

Dear Snehal,

We are pleased to offer you internship from 24th January 2022 to 29th July 2022. Please note that the terms contained in this letter are subject to the Company policies.

- 1. Date of Joining:** Your date of joining is 24th January 2022 and the duration of the internship would be 6 months. During this period, you are expected to devote your time and efforts solely to Company's work. You are also required to let your mentor know about forthcoming events (if there are any) in advance so that your work can be planned accordingly.
- 2. Responsibilities & Working Days, Hours and Leave:** You will be expected to work full time. You will be expected to work through Monday to Friday for nine (9) hours per day as per the prevailing policies of the company. We observe Saturday and Sunday as weekly offs. You will be entitled to 1.75 paid leave per month, which shall be subject to a revision by the Company from time to time.
- 3. Stipend:** You will be eligible to receive a stipend of INR 15,000 (Fifteen Thousand) per month, subject to applicable tax and other statutory deductions. You are not an employee of the Company and you will not receive any of the employee benefits that regular Company employee receive.
- 4. No Lien on Employment:** This internship shall not confer any right or entitlement for claiming absorption against any regular vacancies. However, upon successful completion of your internship, the Company may offer you regular employment. Such subsequent offer (if any) will be communicated to you in writing by the Company.
- 5. Confidentiality:** You may have access to the trade secrets and confidential business information belonging to the Company. You acknowledge that you must keep all the trade secrets and confidential information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company without prior discussion and approval from your mentor. The Company operates on zero tolerance principle with regard to any breach of confidentiality and data security guidelines. At the completion of the internship, you are expected to hand over all the Company's property, equipment, documents, work/data to your mentor.
- 6. Ownership of Intellectual Property:** During the course of your internship, you may conceive of, discover, invent or create inventions, improvements, new contributions, literary property, material, ideas and discoveries, whether patentable or copyrightable or not ("**Work Product**"), and all such Work Product shall belong exclusively to the Company, who shall be entitled to all right, interest, profits or benefits in respect thereof.

Letter of Intent ("LOI")

Dear Tejas Jadhav,

With reference to your application and subsequent discussions we had with you. We are pleased to inform that your candidature have been shortlisted for appointment as "Trainee" with Atos Global IT Solutions and Services Private Limited (referred as "Atos or Company").

Subject to completion of election and documentation process, detailed Offer letter will be issued to you, which will contain the following details:

- Date of Joining;
- Joining & Training location;
- Other terms and condition.

The location of your initial reporting, training and the date of your joining would be communicated to you in due course of time post successful completion of your final semester degree/diploma examination/ Documentation Process.

The date of joining and the location of posting will be based on business requirements. Atos solely reserves the right to make any changes to the date of joining and the location of posting.

Upon joining Atos,

1. You are expected to enter into an employment agreement with the Company which shall contain details including the scope, terms and conditions of your employment and various obligations with the Company.
2. You will be on probation for a period as determined by the Company from your date of joining and subject to satisfactory performance your employment will be confirmed at the end of probation or such other extended period as the Company deems fit.
3. You may be required to undergo various training for a duration which will be purely based on business requirements. During the training period, your performance will be evaluated periodically.

Atos plans to invest in debut trainings and certifications to impart appropriate skills for the required services. Therefore, all "Trainee" (debut) are required to complete the training period and expected to remain in the service with Atos for a minimum period of 24 months from the date of joining. Failing to which, debut unconditionally needs to pay/reimburse the cost of training to Atos which will extend up to maximum of Rs.75,000/- (Seventy Five Thousand Rupees only).

Your selection and further procedure ahead is subject to your being found medically fit, you completing your academic course with the specified eligibility criteria as informed to you during selection process, and completing all necessary documentations & process pertaining to your education, verification and other employment criteria.

Letter of Intent ("LOI")

Dear Rahul Singh,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Letter of Intent ("LOI")

Dear Sahil Nagane,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Letter of Intent ("LOI")

Dear Omkar Chandrakant Bartakke,

With reference to your application and subsequent discussions we had with you. We are pleased to inform that your candidature have been shortlisted for appointment as "Trainee" with Atos Global IT Solutions and Services Private Limited (referred as "Atos or Company").

Subject to completion of election and documentation process, detailed Offer letter will be issued to you, which will contain the following details:

- Date of Joining;
- Joining & Training location;
- Other terms and condition.

The location of your initial reporting, training and the date of your joining would be communicated to you in due course of time post successful completion of your final semester degree/diploma examination/ Documentation Process.

The date of joining and the location of posting will be based on business requirements. Atos solely reserves the right to make any changes to the date of joining and the location of posting.

Upon joining Atos,

1. You are expected to enter into an employment agreement with the Company which shall contain details including the scope, terms and conditions of your employment and various obligations with the Company.
2. You will be on probation for a period as determined by the Company from your date of joining and subject to satisfactory performance your employment will be confirmed at the end of probation or such other extended period as the Company deems fit.
3. You may be required to undergo various training for a duration which will be purely based on business requirements. During the training period, your performance will be evaluated periodically.

Atos plans to invest in debut trainings and certifications to impart appropriate skills for the required services. Therefore, all "Trainee" (debut) are required to complete the training period and expected to remain in the service with Atos for a minimum period of 24 months from the date of joining. Failing to which, debut unconditionally needs to pay/reimburse the cost of training to Atos which will extend up to maximum of Rs.75,000/- (Seventy Five Thousand Rupees only).

Your selection and further procedure ahead is subject to your being found medically fit, you completing your academic course with the specified eligibility criteria as informed to you during selection process, and completing all necessary documentations & process pertaining to your education, verification and other employment criteria.

Atos reserves the right to decide the continuance of your further training and your employment with the Company depending on your performance in the opinion of the Company and documentation process.
The terms of this letter of intent shall remain confidential and are not to be disclosed to any third party.

You may note that this letter should neither be construed as an Offer of Employment from Atos nor should it in any manner confirm our obligations to make you an offer of employment.

We may, any time revoke this Letter of Intent considering incomplete documentation, failure to fulfil the eligibility criteria, background verification or at our discretion.

We request you to confirm back to us your acceptance of above terms and conditions herein by signing and returning the copy of this letter to Campus recruitment team (nanda.ancelm.external@atos.net) within 05 days from issuance of this letter, failing which this letter of Intent shall stand withdrawn/cancelled automatically. Should you have any query, please do not hesitate to contact Campus Recruitment team.

We look forward to hear from you soon and wish you a rewarding career ahead.

Thanking you.

Yours Sincerely,

For Atos Global IT Solutions and Services Private Limited

Letter of Intent ("LOI")

Dear Anant Khot,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4 with Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Hello!

Thank you for participating in the Infosys Campus Recruitment Program.

Congratulations! You have cleared the Interview round to receive a final job offer for the Systems Engineer role. The compensation for this role is INR 3.6 lakhs per annum with one year of probation period from the date of allocation to the business unit.

Please note, this is a conditional job offer subject to your eligibility during the recruitment process and your background verification. If falsification of data is detected during the background verification process, Infosys will revoke the job offer made to you.

In case of any queries, please contact your placement office or write to us at Talent.Acquisition@infosys.com. Infosys recruitment process related emails sent to any other Infosys email address might not be responded to.

We look forward to welcoming you into our Infosys family.

Regards,

Talent Acquisition
