Respected Sir,

With reference to above subject, Amrutvahini College of Engineering has organized the international guest lecture on "**Security and Privacy in Cyberspace**" dated **14-09-2017** we are interested to attend this Guest lecture. It will also help us to keep up-to-date with the latest advancements in the field.

Moreover, we would like to request financial assistance to cover the expenses associated with attending this program. As a faculty member, we are dedicated to providing the best possible education to our students, and we believe that attending this program will enable us to do so more effectively. We would be grateful if you could grant us financial assistance to help us attend this program.

So we kindly request you to give us permission to attend the same and provide financial assistance. We look forward to your positive response.

Thanking you,

Yours Sincerely

ABOUT THE WORKSHOP

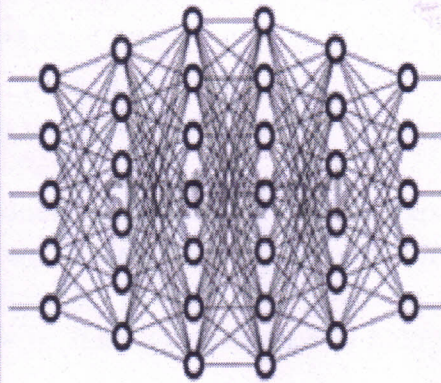

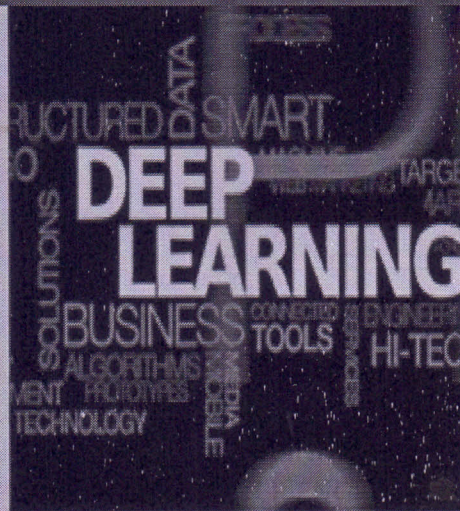

In the last couple of years, deep learning algorithms have pushed the boundaries for numerous problems in areas such as Image, Speech, Text, Computer Vision and Language processing. Deep Learning (DL) is a set of machine learning algorithms that acquire data features and representations by submitting data to possibly multi-layered neural networks. This workshop is designed with a global scope aiming at updating participants about the most recent advances in the critical and fast developing area of deep learning. This workshop covers a wide spectrum of current exiting machine learning research and industrial innovation that provides more efficient algorithms to deal with large-scale data in NLP, Social Media, Information Fusion, Speech and Image Processing, Language Processing, Text and Reinforcement Learning. Renowned academics and industry pioneers will lecture and share their views with the audience.

TOPICS TO BE COVERED

- Deep Learning - Algorithms and Techniques
- Deep Learning Models for Speech and Image Processing
- Deep Learning for Information Fusion (Multimodal Deep Learning)
- Deep Reinforcement Learning
- Semantic Deep Learning
- Social Media Text Analytics with Deep Learning
- Deep Learning for NLP.

SPEAKERS OF THE WORKSHOP

Academic experts from IIT, NIT, Anna University, SSN, and Industrial experts from IBM.

RESOURCE PERSONS
The resource persons include industry experts from Fluidyn Consultancy Pvt. Ltd. Bangalore
1. Dr. Anil Kumar K. R. (General Manager- Multi-Physics Solver Development)
2. Mr. Subhash Shinde (Senior Support Engineer)
3. Mr. Jignesh Chokshi (Research Engineer)

MAJOR TOPICS
➤ Fluidyn MP - CFD & Multiphysics Software (Geometry Modeling, Mesh Generation, Fluid Modeling: NS module)
➤ Heat Transfer Modeling: CHT (Conjugate Heat Transfer) Module.
➤ Structural Modeling: FSI (Fluid Structure Interaction) module.

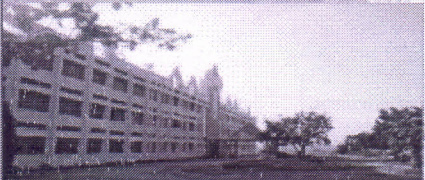

ABOUT THE PROGRAM
A Short Term Training Program "Introduction to CFD and its Applications" is being organized by SVERI's College of Engineering, Pandharpur along with Fluidyn Consultancy Pvt. Ltd. Bangalore with an Objective to provide a golden opportunity of learning CFD and Multi-Physics for faculties/students from educational/research institutions. Participants will get exposure to basic methodology of Heat transfer modeling & Structural Modeling, hands on experience for CFD and Fluidyn Software.

HOW TO REACH SVERI
The Nearest airport is Pune. Buses to Pandharpur are available from Swargate and Shivajinagar bus stand of Pune. Pandharpur station is on central rail line, Miraj-Latur. Kurudwadi is nearest junction from Pandharpur on main rail line. Pandharpur is just 72 Km from its district place, Solapur.

ABOUT THE INSTITUTE
Pandharpur is well known holy place for Lord Shri Vitthal temple. It is recognized as Spiritual capital of Maharashtra and popularly known as 'South Kashi' of India. Shri Vitthal Education and Research Institute (SVERI) is a charitable trust formed by devoted technocrats and established its first project as College of Engineering Pandharpur in 1998, approved by AICTE, New Delhi. It has been affiliated to Solapur University, Solapur. The Engineering College is ISO 9001:2008 Certified, accredited by Institute of Engineer (India) Kolkata, 'NAAC' and its all programs are 'NBA' accredited.

ABOUT THE DEPARTMENT
The department of Mechanical Engineering was established in the year 1998. The department has 35 qualified and dedicated faculty members with the specialization in various areas. Out of that faculties, four are PhD holders and Eight faculties are pursuing PhD. The department offers UG (Intake-120), PG (Intake-18), and PhD programs. The department is well equipped with infrastructure and the state-of-art laboratories along with CAD/CAM/CAE softwares.
