## ONE WEEK FACULTY DEVELOPMENT PROGRAM ON DATA SCIENCE

10TH JUNE - 15TH JUNE 2019

ORGANIZED BY

DEPARTMENT OF COMPUTER ENGINEERING  
ZEAL COLLEGE OF ENGINEERING & RESEARCH  
NARHE, PUNE

IN ASSOCIATION WITH  
SHIVAJI UNIVERSITY, KOLHAPUR

मदन मोहन  
मालवीय

Government of India  
Ministry of Human Resource  
Development

Address:

ZEAL COLLEGE OF ENGINEERING & RESEARCH NARHE, PUNE  
Sr. No. 39, Narhe Pune 411041, Ph No. 020-24391381, 67206000

Scanned with OKEN Scanner

## **ELIGIBILITY**

Faculty Members from Science and Technology, Humanities, Social Sciences, Commerce and Management discipline from Universities, Colleges, Polytechnic, NITs, IITs, Engineering Colleges and other Institutions of Higher Education are eligible. As The number of participants is limited to 40, preference will be given on First Come First Serve basis. Confirmation email of selection will be mailed to all eligible candidates. All confirmed participants will have to submit a relieving letter from their institution on the first day of the training.

## **PROGRAMME SCHEDULE:**

### **10TH JUNE - 15TH JUNE 2019 :**

Day 1 Monday, 10/06/2019 Introduction to Python  
Day 2 Tuesday, 11/06/2019 Hands-on session on Python  
Day 3 Wednesday, 12/06/2019 Data Analytics using Python  
Day 4 Thursday, 13/06/2019 Machine learning using Python  
Day 5 Friday, 14/06/2019 Hands-on session on Machine Learning Analytics  
Day 6 Saturday, 15/06/2019 Hands-on session on Data Analytics

## **REGISTRATION DETAILS:**

Registration and participation is free of cost.

Registration is on FIRST COME FIRST SERVE BASIS...

Hard copy of the registration form duly forwarded through the Head of the Institute should be submitted to the Co-coordinator on the first day of the programme.

Instructions for the Participants:

- Attendance for all sessions is mandatory.
- Lunch and Tea will be provided.
- Free accommodation to all outstation participants will be provided only on advance intimation.
- TA/DA will be borne by participants at their own.

Registration Link: <http://sangnaksuraksha.com>

Mob. No-9503556374

## **ABOUT ZES**

Zeal Education Society is established in year 1996 in Pune, India. Zeal Education Society runs eight institutes from Pre-primary to PhD (KG TO PH.D) courses Redefining excellence through relentless efforts and Innovative Teaching Learning, Supplementing routine teaching, with training and guidance from Industry experts. We are "Transferring dreams into reality by developing an individual's potential through spread of knowledge and wisdom in an intelligent environment."

## **ABOUT ZCOER**

ZCOER is established in 2007 which symbolized the beginning of new era in technical education. The college offers UG engineering degree courses in Civil Engineering, Computer Engineering, and Electrical Engineering, Information Technology, Electronics & Telecommunication and Mechanical Engineering. The college also offers PG courses in Computer Engineering, Electrical Engineering (Power System), Electronics & Telecommunication (VLSI and Embedded System), Mechanical Engineering (ME Design / CADEM) and Master of Business Administration. The institute is also granted as PhD research center in Computer Engineering, Electronics & Telecommunication and Mechanical Engineering under Savitribai Phule Pune University, Pune (SPPU) since 2013. The college has the experienced & highly qualified staff, spacious classrooms and well equipped laboratories. With state of the art research, infrastructural, sports, cultural facilities, the campus provides excellent academic ambience for the students, Hence it is one of the sought after engineering colleges in Pune.

## **ABOUT COMPUTER DEPT**

Under Zeal College of Engineering and Research the Department of Computer Engineering was established in 2007. The department aims to provide students the knowledge and skills that will last a lifetime. Following in the footsteps of Zeal Education Society to provide excellence in education, we impart academic knowledge, practical skills and leadership qualities that enable our students to grow in their professions and advance to better positions in the IT industry. With a full proof action plan in place and the necessary resources for execution, we train and educate engineers of outstanding capabilities.

For training purposes, Computer engineering department has 13 well equipped labs with latest software required for curriculum development. We also conduct various seminars and workshops for students and staff. Computer engineering department has internet (50 Mbps lease line) facility available for the students for research and development. We have also collaborated with IBM and set up the IBM Software Lab for Emerging Technologies. It is our goal that every student of our department is certified through this lab. We are also a member of the Zeal Firefox Club where students can contribute and get involved in the Firefox products and/or app development.

## **Department of Computer Engineering**

**Under Pandit Madan Mohan Malviya National Mission for Teachers and Teaching  
(PMMMNTT), Government of India**

### **Organizing One Week Faculty Development Program On Data Science**

**(10<sup>th</sup> to 15<sup>th</sup> June, 2019)**

**In association with  
Shivaji University, Kolhapur**

**Faculty Development Program**  
On  
**"Data Science"**  
Organized by  
**Zeal College of Engineering and Research**  
In collaboration with  
**Faculty Development Centre, Shivaji University**  
*A MHRD Government of India initiative*  
**Pandit Madan Mohan Malviya National Mission on Teachers and Teaching**  
**(PMMMNMTT)**  
Duration – 10<sup>th</sup> June to 15<sup>th</sup> June, 2019

**Inauguration ceremony of FDP**

A Faculty Development Program on Data Science has been organized by Faculty Development Centre in Cyber Security and Data Science hosted by Department of Computer Engineering, Zeal College of Engineering & Research, Pune conducted by FDC PMMMNMTT on 10<sup>th</sup> June to 15<sup>th</sup> June, 2019. The program commenced with the National

Anthem. Sonali Kulkarni, Program Manager, Inteliment Tech , joined Executive Director Prof. Pradip Khandave, Principal Dr. A. M. Kate and Head of the Department Dr. P.S.

**Lamp Lightning done by Dr. P. S. Halgaonkar**

Halgaonkar for Saraswati Poojan and Lamp Lightning ceremony. After felicitation of dignitaries Head of the Department welcomed everyone and briefed about FDP. Dr. A. M. Kate, Principal ZCOER, guided participants about importance of attending FDPs for knowledge enhancement. Prof. Pradip Khandave, Executive Director, Zeal Narhe Campus, encouraged participants to get most of the benefits out of this Faculty Development Program. At the end of the Inaugural ceremony FDP Coordinators Prof. P. D. Kshirsagar and Prof. R. P. More expressed their vote of thanks towards the Dignitaries and the participants of the Faculty Development Program.

**Lamp Lightning ceremony**

**Lamp Lightning ceremony**

**Felicitatation of guests by Prof. P. D. Kshirsagar**

First session started with Introduction to Business Analytics, Sonali Kulkarni had elaborate the Business analytics with the example of database maintenance in departmental store . She explained and interacted with the participants about what data get generated in the departmental store. For this she involved participants in the discussion so the session became more interactive and participants got a chance to express their observations. All the details got listed out and then Sonali madam explained the correlation between the data. How these POS data are used for the POS analysis in Data Science. She moved the focus of the participants from POS analysis to Business analytics. She explained what are the key features and the techniques involved in the Business Analytics. According to her Business Analytics needs the thorough knowledge of Business Intelligence and Business Statistics. For the elaborative explanation of the business analytics she added the overview of Corporate Sales. She continued with the detailed explanation of Business Intelligence . She also mentioned the working details of database, data ware house, report on data, dashboard and transactional and analytical processing.

**Introductory speech by expert Ms. Sonali Kulkarni**

Project Manager, Inteliment Tech, presented differences between online transactional processing and online analytical processing. Under this section she explained all the minute details of the differences between the two along with detailed explanation of which processing is better in what case. Sonali Madam, enlightens the business analytics with the study case from Education field so the participants would get the analogy an didea about how the business analytics works. Participant felt a familiar approach by this case studyas most of the participants were belongs to educational field. She elaborate the concept more with the financial analytics. Second session starts with participant introduction, participants introduced themselves along with their work in data science field. They also have suggested the outcomes they desired from this faculty development program.

**Expert explaining the presentations to participants**

For the better team efforts and team work Sonali requested participants to join an activity for better understanding of how data analysts think of the data collected. Participants were very much happy to be part of such an thoughtful and knowledge gaining activity. Participant came to know working routine of the data analysts.

Sonali explained the statistical analysis of the data by presenting the example of current ICC World cup 2019. She correlate the concepts with better understanding of the participants. She focused on data collection methods of the various industries, she took an example of chocolate customer survey. She mentioned the importance of question chart for data collection. She explained the graphs and analysis provide to the industries with quantitative and qualitative approach for data analysis. For the participants understanding

she have mentioned and refreshed the concepts of data mining such as correlation, correlation coefficient, regression, regression line, classification.

For the next session Sonali focused on the concept of probability. Probability was explained with the help of random variable, continuous variable , probability distribution concepts. The concepts like Normal Distribution standard normal distribution had also explained by the resource person. The session ends with decision rule and hypothesis concepts.

Further sessions involved the hands on session of Introduction Python programming language. Expert started with the basic concepts of languages and involved each participant with one to one interaction while hands on session. Expert assigned programmatic assignments to participants for the better understanding. At the last session an exam was conducted with a very unique way. The participants faced the exam with all the preparation they have done in the session of the Faculty Development program. After exam the Certificate distribution program was organized. Faculty Development Program Coordinators distributed the Participation certificates and expressed their sincere gratitude towards the participants for participating in the FDP. Participants thanked Coordinators and resource persons for such an knowledgeable treat of recent trends in Data science.

90 participants have participated in this Faculty Development Program from the various educational and industrial institutes. Faculty Development Program coordinators expressed their sincere gratitude towards the Head of the department Dr. P. S. Halgaonkar, Principal Dr. A. M. Kate and Executive Director Prof. Pradip Khandave for their continuous guidance and support to organize this program.
